

Where is the MEID or IMEI on my phone

This is the phone serial number found on the sticker behind the battery (MEID DEC #), or

Do one of the following:

1. Enter `*#06#` like you are making a phone call from the phone dial pad

Or,

2. From an Android Phone (when you turn on the Android phone)
 - go to > settings> (on Samsung Galaxy click top TAB "More")
 - go to > "about" on an Android phone
 - go to > "phone info" or "Status"
 - ... scroll down until you see MEID (DEC or HEX)
 -

3. For the iPhone

- Go to > "Settings"
- Go to > "General"
- Go to > "About"
- ... scroll down until you see the MEID or IMEI

4. Windows Phone

- Go to "Settings"
- Go to "About"
- Go to "More info"

Or,

5. Check the sticker behind the battery. This will be the DEC number or IMEI (on GSM devices)
